Do you often wonder what you need to do before you retire? What will you do to fill your time? Do you sometimes fear that you won't have a reason to get out of bed each morning? Do you know people who have retired and passed away shortly after, resolving to make sure this won't happen to you?

Many people are very focused throughout their careers, but lack the skills to carry them into retirement successfully.

Tracey Fieber of New Face of Retirement Inc developed the Secrets to Retirement Success Blueprint System™ to teach others how to use their skills to their advantage, to key in to use those skills in the next stage in life, retirement.

At this powerful seminar, you will learn to:

- Break down the retirement process into easy steps
- Use the secrets to make new friends effortlessly
- Determine which areas to focus on to yield the greatest results
- Get friends who you want to spend time with who will stay with you long-term
- Create your own retirement action plan to start seeing results quicker than you would on your own

"A very perceptive person in hearing the missing parts of what I say and unveiling them to me to perform better in my life. She has helped me with... using my time to it's fullest and structuring it to be used better suggesting specific ways to improve my goals when stumped for solutions."

– J. Spittler, New York
